## Manufacturer Certification Statement

### Residential Homeowner Tax Credit

#### Qualified Products:

- Sola Light, Solar Powered Lighting.
  - (formerly known as: "Redi-light or "redi-lite")
- Solatube tubular skylight with solar powered night light
- Sola Fan: solar power attic fans

**Solar Light INC (SLI)** certifies that the above mentioned product manufactured and/or assembled and/or installed qualify for a 30% Federal Tax Credit for solar energy systems under photovoltaic systems as prescribed in the Energy Improvement and Extension Act of 2008 (P.L. 110-343) as described in IRS form 5695 as follows: "Qualified solar electric property costs. Qualified solar electric property costs are costs for property that uses solar energy to generate electricity for use in your home located in the United States. This includes costs relating to a solar panel or other property installed as a roof or a portion of a roof. The home does not have to be your main home." This applies if the above mentioned products were placed into service from January 1, 2009 through December 31, 2016. All Solar Light INC products must be installed per the manufacturer's installation instructions and meet applicable fire and electrical code requirements to be eligible.

I certify that the above statements are true to the best of my knowledge. Please refer to IRS form 5695 and your tax advisor to see how this statement applies to your specific situation.

## Solatube Integrated Solar Daylighting Systems

### Residential Homeowner Tax Credit

Solatube International, Inc. certifies that the following products, as indicated, qualify for federal tax credits for residential energy tax credit.

#### Solatube Integrated Solar Daylighting Systems

Solatube 160 ISn Daylighting System with Solar Electric NightLight

Solatube 290 ISn Daylighting System with Solar Electric NightLight

This statement certifies only that the above referenced Solatube products placed in service from January 1, 2017 through December 31, 2018 qualify.

All Solatube 160 ISn & 290 ISn models must be installed per the manufacturer's installation instructions and meet applicable fire and electrical code requirements to be eligible.

Taxpayers are not required to attach this certification statement to the return on which the credit is claimed. Income tax regulations require taxpayers maintain records sufficient to establish the entitlement to any credit claimed. This certification statement and installation instructions are provided in printable form at [www.solatube.com](http://www.solatube.com).

Under penalties of perjury, I declare that I have examined this Certification Statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
